Welcome to the Marvelous World of Disney! This is the first month of all-new Disney titles from Marvel Comics and we thank you for being here with us! The Walt Disney Company's enduring legacy of characters has animated the screen, and many, many book pages for more than 60 years. Now you can enjoy the continuing magic of your favorites every month, here in Marvel Comics!

On television, afternoons belong to Disney with their block of great cartoon hits! Starting this September, you can enjoy the fun of DISNEY AFTERNOON comics all day long! Each month, you can read about your favorite crimebuster, Darkwing Duck, stories of the TailSpin team, plus bonus added attractions of Goof Troop and that comic cop, Bonkers!

"Magic" is the key word for the long-awaited debut of the ALADDIN monthly comic and we hope you've enjoyed it! Millions loved the movie and watched the video, and if you can't wait for the new ALADDIN television series this fall, here are all new adventures every month! Thanks to the ever-lovin' genie and his wacky powers, there's never a dull moment for Aladdin, the lovely Princess Jasmine, their mischievous simian friend, Abu, and the wise-cracking parrot, Iago.

Disney's most celebrated full-length animated motion picture, BEAUTY & THE BEAST, finally makes it to Marvel Comics! You'll enjoy the very first issue of romance and adventure, on sale now, starring the beautiful Belle, the hideous Beast, Belle's enchanted friends, Lumiere, Cogsworth, Mrs. Potts and Chip, and of course, pompous Gaston and the fool, LeFou! There're more brand-new tales from the world's best known romantic classic every month in the pages of BEAUTY & THE BEAST.

Hold your breath and plunge into the underwater wonderland of THE LITTLE MERMAID! In this wet and wild monthly comic, Ariel, along with Sebastian, Flounder, and their undersea pals, manages to get into one fix after another in each edition. Try as he may, Sebastian can't keep the mischievous Ariel out of trouble ... and out of King Triton's hair!

All of the world is clamoring to see Disney's latest smash animated feature film, THE LION KING! Now you can own the beautifully-drawn Marvel Comics adaptation of the touching story of the lion cub, Simba, and his coming of age in the circle of life. Be sure to ask at your local comics shop or the neighborhood newsstand for your very own copy of this Disney classic.

Thanks for visiting the Marvelous World of Disney! This is just the beginning! Stick around, it's gonna be a heck of a ride!

WE WANT YOUR LETTERS!

We'd love to see your comments and ideas about the issue you've just read. We'll even print them on these pages! Send them in to the address at the top of this page. Remember to include your name, address, and age!

Cover penciled by JOHN BLAIR MOORE, inked by ANDRES KLACIK and colored by ED LAZELLARI.

NEXT MONTH:

Join us for more afternoon antics! Don't miss the fun-filled frolics of **Darkwing Duck**, terrific times with **TailSpin**, giddy giggles with **Goof Troop** and boisterous bounces with **Bonkers!** Here's a sneak peek at next month's delightful devilries ...

AND NEXT MONTH IN:

BEAUTY & THE BEAST #5, - Belle trys to teach stubborn Beast how to read and write. Lumiere takes over as head of the household with Cogsworth bemused consent. Cogsworth gloats as Beast commands frazzled Lumiere to compose him a poem for Belle. Will Lumiere's words of love help break the spell of the castle and will Cogsworth take back his job?

THE LITTLE MERMAID #5, "My Dinner With Crustacea" - When Ariel agrees to take her wacky Aunt Crustacea on a tour of Atlantica, she, Flounder and Sebastian get more than they bargained for! Things run amuck at Sharky's Tea Parlor, and Ariel and company must find a way to escape da' dastardly doings of the Lobster Mobster!

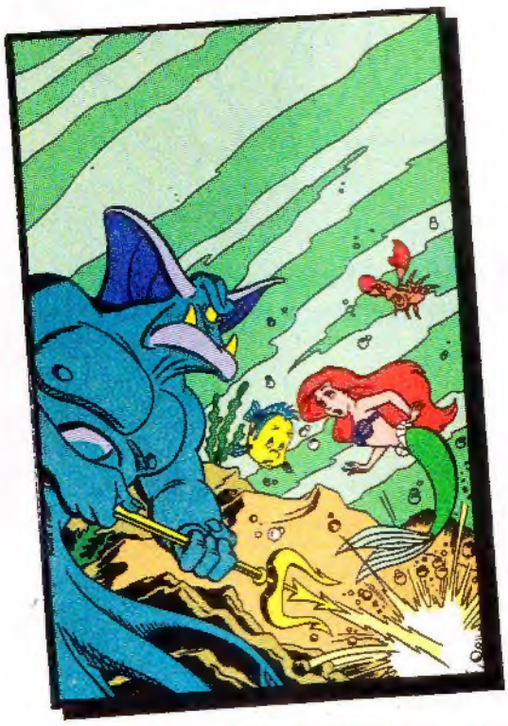
ALADDIN #4, "Greedy in Agrabah" - No one knows the street life of Agrabah better than Aladdin. When he meets up with a young thief named Oso, Aladdin must find a way to show him that being a thief is no way to live. Will Oso learn to trust Aladdin or will he end up as a member of the Thieves Guild?!

WORLD OF DISNEY

ALSO THIS MONTH . . .

ALADDIN #2; "The Pharaoh's Curse" - Sneaky Abu "picks up" a jeweled ankh, little realizing the bejeweled artifact is cursed — anyone touching the ankh ages rapidly! Can Aladdin and Abu get past the awesome Sphinx and return the stolen ankh to the tomb of the Pharaoh, or are they doomed to be old before their time?!

BEAUTY & THE BEAST #3; "The Wishful Walk" - Village girls vie for marriage to Gaston; Belle appears to be one of them! Has she given up on Beast? Cogsworth, Lumiere, Mrs. Potts and Chip scheme to get Belle and Beast together, but the best of plans can sometimes go awry!



THE LITTLE MERMAID #3; "The Daredevilfish" - Pearl starts a new girls club called the Daredevilfish and makes Ariel go through a devilish initiation to join!

THE LION KING; All the jungle excitement of Disney's latest and greatest animated hit is now available to take home in the form of Marvel's 48-page full-color movie adaptation comic! Thrill to the adventures of Simba and Nala, fear the evil Scar and relive the last days of King Mufasa! And if this isn't enough Lion King for you, stick around for the new THE LION KING series coming soon from mighty Marvel!
